Revere, Massachusetts

"I build my own doors – and I hold them open for others."

PROFILE

Founder of two companies and the creator of ATLAS, a field intelligence platform earning national recognition in the parking and access-control industry. A former executive chef who rebuilt his life and career from the ground up, Jon pairs an operator's discipline with a long-standing commitment to community service.

LEADERSHIP & VENTURES

Founder & CEO — On Spot Solutions LLC

BOSTON / REVERE, MA · 2019–PRESENT

Field service and technology company for the parking & access-control industry. Creator of **ATLAS**, a field intelligence platform.

- **2nd place** at a national startup accelerator (2026)
- **Provisional patent** filed; **registered federal contractor** (SAM.gov)
- **Featured in *Parking Today***, the industry's leading trade publication
- 15+ years of field service & electronic access/control experience

Founder — Kanned Heat Kitchen

MISSION-DRIVEN VENTURE

Built to give back: when it succeeds, it funds community sponsorship, food, and support.

CULINARY LEADERSHIP

Executive Chef and senior culinary roles across acclaimed restaurants – **Catalyst**, **Deuxave**, **Boston Chops**, and **Lincoln Tavern** (Boston), and **Café Lurcat** (Naples, FL). Built, trained, and led high-performing kitchen teams under intense pressure across 15+ years in professional kitchens, with extensive volunteer and charity work through the restaurant community.

CERTIFICATIONS & EDUCATION

- ~50 hours of **OSHA** safety certifications
- **Computer Electronics Engineering** – ITT Technical Institute · **Dean's List** (completed through final capstone term; degree not conferred – institution closed in 2016)
- Vocational **Culinary Arts** training

COMMUNITY & SERVICE

- Longtime charitable contributor through the restaurant industry – **Boston Bakes for Breast Cancer** (ongoing) and **Kids Can Cook**
- Founded **Kanned Heat Kitchen** to carry that giving forward, with a growing focus on supporting people facing **mental health and addiction** struggles
- Member, **Revere Chamber of Commerce**

CORE STRENGTHS

Operations & systems · Team leadership & training · Product innovation · Field service & electronic access/control · Brand & marketing · Resourcefulness under constraint
